Pre-determined mosaic combinations with the option of requesting your own customized combination

Alborz Mosaics is a ceramic tile range for building with top-level technical, aesthetic and functional design, specifically for modern architecture.

The distinct technology, designed according to use, combine to create a product range that provides maximum scope for design, enabling these products to be used in homes or urban areas.

Ceramic mosaic art has always been synonymous with decorative taste in wall coverings and floors This is why the Alborz Ceramic mixes projects are the ultimate in mosaics, “mixing the mixes” in different proposals, each suitable for any type of solution.

Safa Hotel - Egypt ▲

- Incorporating unique colors designs and textures from our diverse collections of mosaics, we are sure that we can bring too much beauties for you.
- No matter what the shape and size of the composition is. Be it geometrical or figurative we can transform into mosaic any design, painting, portrait, landscape and picture.

- One by one, the colors dots dissolve the idea and recompose it in hundreds of ceramic mosaic tiles.
The image designed becomes a finished work, forever.
- The wide variety of colors, tones and shades allows us to create very rich which are specially impressive.
- A large number of colors and surfaces can be combined, and it is possible to create Chromotherapy areas.
